Please join us in welcoming Abby our new Bar Manager. Abby comes to us with 3 years of experience from the New Ulm American Legion. She was a bartender and worked her way up to management. She has a passion for working with Veterans and customers. She was observing our St. Peter American Legion Facebook site and was excited to see our busy and exciting events we have. She picked the phone up and called about ideas she could try. After a review of an Open Manager Position, she was then very interested to work for us.

Abby will be seen cooking, bartending, cleaning, ordering and

many other duties that the position requires. She is looking at expanding the menu and nights of serving food. She said to watch for her famous BBQ ribs being served on a routine basis.

She is open to new ideas and plans to expand business. Please be mindful of her time as she is busy. You can reach out to the Bar Adv Committee to share ideas that are then brought up at the routine meetings.

Please give a warm welcome to Abby who is off to a great start managing. Be sure to introduce yourself and meet her. She's glad to be at your American Legion.

**Members Wanted:**

**We are hiring part-time servers and part-time cooks. Members get first chance. It's a great group of staff and that enjoy their jobs. If interested, let me know. If you know of someone, please send them our way.**

## Color Guard

Hello Legion family members. I have just received several flag sets that are headed to the Gustavus ROTC program. These sets were paid for out of charitable gambling funds. Thank you Post 37 for that. I will get them delivered after the holiday season and help get them set up.

The next events we have, probably won't be until March.

So, put Friday, March 17 on your Calander for the St. Patrick's Day parade down South 3rd Street, and past the post.

On Wednesday, March 29th , there will be a program at the St. Peter Community Center for the Vietnam War Veterans Day observance. That program will start at 5:00 PM. The Color Guard will be a part of both of those events.

If you would like to know a little about the Last Man Club Vietnam War Era, head to the Community Center room 219 for a free will donation lunch on Monday, March 20th at 11:00 AM.

I would, also like to give a shout out to Ron Neary for all of his years of service to Post 37 and to our community. Thanks Ron. Stop down to the post on Friday, January 6, at 7:00 PM for his retirement celebration.

I would also like to thank everyone for continuing to serve your post, your community and your country.

Rick Wright  
Color Guard Commander

## Veterans Visit Committee -

Veterans Visits 2022 were a huge success! The St Peter City has six senior living communities where veterans live. Starting last June we formed a group to go and visit with these veterans once a month. On the second Wednesday of every month following Our Legion Post meeting we gathered at Our Legion at 8:45 AM and went to visit. We spent 30 minutes at each community and had 15 minutes in between each stop. Some communities only have two veterans and others up to 12. We visit with them and listen to their stories.

We lost Our Army Air Corps member Ken Polzin who told us about the Fujitsu Scale and Our regular customer Emil Jacobsen this year. We heard stories of how submarines get rid of their waste and one stubborn electricians mate who found out the hard (and stinky) way what happens when you don't follow the rules.

Our visit team would meet with anywhere from 21 to 31 veterans each month. The smiles that we share are priceless. We visit with veter-

ans and spouses of veterans who are no longer with us. This group is open to all members of Our Legion Family: Post, Auxiliary, Sons and Riders. Please join us as visitors as we remind these veterans that they are not forgotten and we thank them for their service.

My work schedule is getting busier and most of the team members are also employed. We need help to continue this program so anyone who is retired and looking how to give back to our community and our veterans please contact me. I want to salute those who are on the team this year: Melissa Mitchell, Ricky Hughes, Dave Johnson and Bernie Thiemann. The members on the committee devote their time and energy in making this group work and bring smiles to Our Veterans. I really don't want this group to let Our Veterans down by being too busy to visit. Please consider joining us in 2023!

Veterans Visit Chair

## SAL

Happy New Year!! Hope the 2022 Holiday Season was good, and everyone is refreshed to start a new year as the new year offers a chance to achieve new goals, hope, and dreams.

The last couple of years have been tough for most of the world, but the Legion Family has hung right in there and continues to support the Legion and get it back on its feet. Back in the day, the Legion was a great place to eat, drink, and socialize – and it still is a great place to eat, drink, and socialize. The problem has been a decline in membership and volunteerism that is needed for the organization. So, a New Years Resolution I challenge the membership with is to help support the Legion and bring it back to the “Good Old Days”. I also challenge the membership to recruit the younger generation to become members, either by joining the Auxiliary, Post, Riders, or SAL; or just stop in to socialize with family and friends. There are many new faces to meet – New Manager (Abby DuBois), new bartenders and servers.

The SAL wishes you all a prosperous 2023. Because we are starting a new year it's a great

time to step back and understand what we are all about. I close by sharing the true purpose of the Sons of the American Legion.....(The American Legion)

**Proud possessors of a priceless heritage, we male descendants of the veterans of all Wars, associate ourselves together as “Sons of the American Legion” for the following purposes:**

“To uphold and defend the Constitution of the United States of America; to maintain law and order, to foster and perpetuate a true spirit of Americanism; to preserve the memories of our former members and the association of our members and our forefathers in all wars; to inculcate a sense of individual obligation to the Community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy, to consecrate and sanctify our friendship by our devotion to mutual helpfulness; to adopt in letter and spirit all of the great principles for which The American Legion stands; and to assist in carrying on for God and Country.”
